

KAHEA AND THE CENTER FOR HAWAIIAN STUDIES PRESENT:

CRITICALLY ACCLAIMED AUTHOR AND OCEAN ACTIVIST:

DAVID HELVARG

THURSDAY, JUNE 15, 2006
KAMAKAKUOKALANI
CENTER FOR HAWAIIAN
STUDIES
6:00 P.M. – 8:00 P.M

David will be talking about how each of us can help turn the tide for the protection and restoration of our living seas beginning with individual actions we can take as consumers and as citizens. Despite a cascading series of disasters facing our ocean planet, including industrial overfishing for the global seafood market, urban and agricultural runoff pollution, coastal sprawl and fossil-fuel fired climate disruption.

David argues that it's not too late to make a difference and to give something back to the ocean that gives us life.

DAVID HELVARG IS PRESIDENT OF THE BLUE FRONTIER CAMPAIGN, CREATOR OF THE SEA WEED REBELLION, A NATIONAL GRASSROOTS CAMPAIGN.

HE IS THE AUTHOR OF *50 WAYS TO SAVE THE OCEAN*, *BLUE FRONTIER – DISPATCHES FROM AMERICA'S OCEANS* AND *THE WAR AGAINST THE GREENS*..

Be sure to make your voice heard in efforts to **fully protect** the Northwestern Hawaiian Islands from NOAA's proposed "sanctuary." NOAA could allow commercial activities that would quickly degrade this fragile resource.
